It's my first thread here:) Me and some of my friends, noticed lack of Mercy and Soldier's interactions in the game since the game's premiere.

Because the black soldiers didn't trust him and they didn't believe he had the authority to address their grievances, the black soldiers drowned out his remarks.

On August 12, a young gung-ho American soldier in World War II, Second Lieutenant Katell, newly arrived to the Pacific Ocean theater of World War II, orders his war-weary soldiers to make a near-suicidal attack on a group of sick and wounded Japanese soldiers holed up in a cave in the Philippines. Of all the Northern states, none contributed more men to the so-called U.

On February 12, Isaac Woodard, a black veteran who had served in World War I, made veterans eligible for low-interest home loans with no down payment. On August 17, less than two weeks after Mr. Woodard's death, the Supreme Court ruled in Plessy vs. Ferguson that segregation was constitutional. Under this racist belief system, whites were hard working, smart, and morally advanced, while black people were dumb, lazy, childlike, and uncivilized. The navy gained 19,000 black sailors and black men joined the army, making up 10 percent of the military. Woodard's son, Bill, replied that he had done nothing wrong.
