Right of way Requirement or prohibition This sign indicates
priority at the next intersection or junction. At other places
on the road, such as junctions and markings for pedestrian
traffic, light signals have the same meaning. Traffic
installations also include guard rails, parking meters,
parking ticket machines, flashing lights and traffic light
signals plus adaptive traffic control systems.

Refrigerated vehicles must not be wider than 2. This is not a good example for
Section 5 Overtaking 1 Persons wishing to overtake must do so
on the left. Section 20 Public transport vehicles and school
buses 1 Regular service buses, trams and school buses marked
as such which are waiting at stops sign may be passed only
very carefully; this also applies to traffic coming from the
opposite direction. The cycling portal is funded from
resources for the implementation of the National Cycling Plan.
Guide curbs and guide separators perform the function of a temporarily appli
lights may only be used in such weather.
