You hear this finger? Read my lips bitch, what? First off, there are plenty of women who are totally happy with how they look, but less than pleased with how they're treated because of how they look—which is why speaking out against fat-shaming is so important to set the record straight.

CommentsAddacomment.TheMarshallMathersLP". Outkast – " Hey Ya! Obesity is the second leading cause of death in this country largely because it increases one's risk for other deadly diseases like heart disease, stroke, type 2 diabetes, and certain cancers. Anyone who has set foot on a playground or who has been on the Internet knows the word "fat" is the go-to insult—regardless of how much someone actually weighs.
