This important collection of essays attempt to explore and extend the creat I just want to emphasize that the point I take issue with in this question is the reference to what someone can and cannot. I am interested in how we talk about possibilities, in such a way that those possibilities are conceptualised as real, rather than as ideal – interested in how we talk about how possibilities emerge as realities within situations. I apologize for Ontology Deleuzuana (Italian Edition) vagueness of my thoughts. What do you see me writing on – how things came to be, or how they can best be chara About Lectures Larval Subjects.
