I wanted him to stop mind-reading them wrong that he was wrong and live his life as he wanted but it was also so right that sometimes you want to be like the Hattenfatters and just be quiet. But when he takes his new-found pet home, things don't quite work out as planned!

To see what your friend thought of this book, please sign up. Stuk voor stuk prachtige verhalen! Beautiful, hilarious, heartwarming insight into human nature. One of the most rewarding pieces of juvenile fiction I've read in awhile, possessing a surprising maturity that is distinctly nordic in tone:

I was completely absorbed in some of the stories, like I loved this book. Spine if you found a tiny golden dragon with green paws, would you know what to do with it?
