When the authors first strolled through Ybor City in late May it was one of those last spring days prior to the summer rains, just before the blanket of humidity descends upon all of Florida. Housed in an abandoned communal jail, the Circolo attempted to provide various educational and self-help services to fieldworkers, but it produced few results. I have to "call it the way I see it.

In this sense, the notion of class went beyond concerns of struggle and revolution. Also, the lessons of humble courage and simple dignity so evident in their lives made the labor of producing this book much more easy to accept. Donna Parrino and Nancy Hewitt kept the authors alert with their penetrating questions and thoughtful conversations.

Most of the public does not know that "hospice" is not that big, warm, fuzzy thing. This book is an urgent wake-up call to Americans and people around the world, because what is happening in the United States is also happening in other nations as well.
