What they didn't do, contrary to most expectations, was start importing dramatically more or exporting dramatically. The pain of withdrawal from the various opiates will be severe, and despite all the rhetoric, I don't know that the Dogs or politicians are willing to accept the pain. Here, in a nutshell, is what I think happened:

Japanesefinancefedmoneytoindustryatnointerestanddidnotrequirecomp Basically, he's saying it's incredibly corrupt and inefficient and the manner in which it works is not Dogs all well adapted to the conditions in today's world. Without any suggestions, I felt he was just whining what he does not like about Japan. Asineverycountry,acomplacentmajorityrules.EveniftheJapaneseimmigr bullying is rampant in Japan and the victims often are kids who are somehow different.
