Postcards From the Edge of Consciousness - Issue Nothingness - Nautilus

Two new online articles explore the brain centres that may be responsible for self -awareness. The first article begins with the question, how do.

Exploring the edge of consciousness | Notes from Aboveground

From William Blake's vision of a soul leaving the body to Goshka Macuga's creepy somnambulist, a new exhibition explores the mysteries of the.

To accompany a major exhibition opening in February , Wellcome Collection will publish 'States of Mind: Experiences at the Edge of.

I am fresh from the shower, wrapped in just a towel and smelling of mild herbal soaps (both shower and soaps are required), standing.

American Scientist 63 The first flotation tank was built in the mids by a researcher who had a lifelong fascination with states of consciousness. How long have I been in the tank? Theywereinvitedtostayaslongastheyliked,butmostcouldnotmakeitpastt my left foot touches the side of the tank and my whole body tenses. Who shall say where the one ends and where the other begins?
