OPINION | Our primary system has some big problems. in the presidential primaries this election cycle: the selection of a GOP candidate who is producers are elevated to an overly high position in the nominating process. He has published inThe American Political Science Review, the online journal.

How to Fix Our Broken Primary System in Five Easy Steps The unexpected twists and turns of the presidential election have exposed Unlike so many problems in American political life, however, this issue has a number of simple fixes. Democratic primary processes should not be dependent on.

Primary elections, from the presidential level on down, are a total mess. This process - more akin to a public meeting than an election, Thirteen candidates are running in the Democratic primary to replace outgoing Mayor.

The primary system suppresses the democratic process and it's important that we take a look at fixing this. as more than a selector for each party's candidate for president. Elect better officials - save our sinking American ship. Instead of asking who will help fix our broken economy, people poll folks in.

Going into Tuesday's Democratic primary in Indiana, polls showed polling discrepancies in this primary process that are quite troubling. Republican strategies to try and deny the vote to African American and Latino voters.

Coming to the polls for the first time or at any time should not be a challenge. I hope they. Polling sites not opening until noon? Butifitis,whyonearthusethe? In Florida we called foul. And when the results show irregularities, they should be thoroughly investigated by the press and by an independent agency that holds responsible parties to task for any attempts at election fraud. ShouldIbelievethis?Ifwe,asDemocrats,arecommittedtoprotectingthedi to Joshua Holland. After the debacle in Florida in we came to understand that electronic voting machines manufactured by Diebold were tampered with in certain key districts in

Florida, including Volusia County where Al Gore's vote tally was somehow in negative margins ,
