The ending was left open as far as what will happen with Dragos, the Enforcement Agency, and some humans in high ranking positions. Both of them had so much they needed to heal from past relationships and so much they had to handle in the present, that theirs was such a classic love story. Try the Kindle edition and experience these great reading features: The way they learn to trust and rely on each other through the good and the bad. I loved how this book was a huge catalyst in pushing forward the story of the fight between Dragos and The Order.

This was an interracial story with some very depressing stuff. You can read this item using any of the following Kobo apps and devices:
