Was not what I thought it would be. There were interesting advertisements from the time as well as other photos and quotes. Amazon Giveaway allows you to run promotional giveaways in order to create buzz, reward your audience, and attract new followers and customers. It would be a good read for a 12 year old. Sponsored products related to this item What's this? There is precious little in the way of getting to know any one specific job, however, so if you're looking for something meaty, this is not the book for you. Servants were meant to be seen and not heard, much less have an opinion!! Having you already have more than a passing familiarity, you might want to get someth I have mixed feelings about this one. Through in his upper middle class cousin, yessir!
