### **Book Notes – Hackers & Painters, Big Ideas from the Computer Age – by Paul Graham**

Hackers & Painters. We live in the computer age, a world increasingly shaped by programmers. Who are they, what motivates them, and what impact will they.

When reading a book, I highlight impactful passages and write down thoughts. Publishing these notes is inspired by Derek Sivers (founder of.

Reading about nerds in school made something inside me  
resonate. I'm saying that he'll make you a tractor to replace  
your horse. Thus, in the world of programming, the hero is the  
one who has great vision.
