I would say I read the description of it either in this forum,
or in something linked from this forum. All London was agog
when Sophia rather than Daphne wed the dashing Earl of
Gresham, whose scorn for bookish females was well-known. And
this time, the fallout could lead to outright war between the
Fae Courts and an ancient enemy.

The 12 Days of LT scavenger hunt is going on. It was about a
ward, I think her name was Alexandria, she was living with her
sister and her sister's husband, but the sister was pregnant
and couldn't handle taking care of her rebellious sister so
they sent her to live with the husband's brother who was some
sort of travel journalist and ended up being kidnapped while
covering a story abroad? The setting in the book I read was
England, is that correct?

want to read it again! I think she had her first "tub" bath
and compared it to bathing in the Thames.
