Great imagery and description. The scenes were vibrant and rich. Life has been easy for him, molding him into an arrogant, brash snob.

Kieth Merrill is a writer, producer and director. The bad character was all bad and so villainous it was difficult to believe he was a real person.

the hospital Thomas meets Cass who has more belief in him than he has and put her job on the line to get him as the painter. The beginning maybe had a bit too much description that was hard to get through, but the rest of the book made up for it.
