El Animal Comunista Gabriel Giorgi. If it is the species of jaguars, then they will see those we see as humans as if they were peccaries, because human beings eat peccaries and not other humans. Because I am not an Anthropologist and lack the ethnographic knowledge Viveiros de Castro has, I was wanting more specific information on the Amerindian side rather than an engagement - interesting as it is - with French philosopher Viveiros de Castro's articulation of Amerindian Perspectivism, and his call that it be treated with the same sort of intellectual rigor as Hegel, is truly inspiring.

Because I am not an Anthropologist and lack the ethnographic knowledge Viveiros de Castro has, I was wanting more specific information on the Amerindian side rather than an engagement - interesting as it is - with French philosopher Viveiros de Castro's articulation of Amerindian Perspectivism, and his call that it be treated with the same sort of intellectual rigor as Hegel, is truly inspiring. Information and analyses concerning the human causes and the catastrophic consequences of the planetary crisis have been accumulating at an ever-increasing rate, mobilising popular opinion as well as academic reflection. The focus of the questions addressed to the author was organized around the topic of Multinaturalist Perspectivism, a concept developed in his work that emphasizes the point of view of Amazonian Indigenous peoples.
