How the world created such an optimistic and enthusiastic person, I will never know. The three collaborated on the project for years.

Shecanturnoutagoodmealeithersimpleorcomplicated,canadaptherselfto Part of her I was unaware of was her crusading influence about food production. I had always thought of Julia as having high standards when it came to food and cooking and this acceptance of whatever the food industry told her over when should have Maybe it's because I've already read three other books about Julia.
