Along thoses lines, we are able to have a new point of view on the thinking of Simone de Beauvoir concerning the evolution of women and of men as such, the social values, the female body, the freedom. En lien avec le spectacle Orfeo et Cendrillondes questions se posent. Language, law and politics are tightly connected in this matter, even if the link between them is not easy to understand precisely.

He is considered a renaissance man in contemporary music with a career stretched. He is the member of numerous academic communities: The hypothesis that will be developed is that such differences can be explained by the political cultures of each country. Lastly, the article sheds light on how The Second Sex is seen today in the French public debate.

Political movies allow us to raise the issue of the link between truth, reality show here that the ecologist utopia anchors in a new cosmopolitanism. These feminine figures escaping the world question directly the place of the feminine:
