Images, Cinema, Theory, Media, Nobody in the public mainstream would object to Lord Irvine's incantation of a multicultural, multi-ethnic United Kingdom as a cornerstone of New Labour's policies, and it is now a truth almost universally acknowledged that British culture consists of a plurality of communities whose differences will have to be respected in the everyday procedures of civil society. Britain with Stereo Propaganda: An article from Southern Cultures 17:2 long history of industrialisation - and its more recent experience of de-industrialisation - presents a particularly challenging field of study.

OrisitthatcontemporaryEnglandseemssimultaneouslytoovariegatedandt
In the absence of a unified theory or method, the debate over the nature of this critical practice continues, and the first issue of JSBC intends to contribute to this debate from a German perspective.
