My family isn't gluten free exactly, but cautious about how much gluten we eat, and frankly if someone can make a pizza mix that I can bake and involves yeast and isn't literally a flop then I'll buy it. I also enjoyed the ethical lessons of improper waste disposal. Needauthornamefixandcombining3Sep19, But the stories and the action of the plot made me want to read it fast in order to find out what would happen. When Salvatore refuses to help investigate, Annie is forced to try to find the killer . Igetthefeelingthatreadersaregettinginonthegroundfloorandtheonlywa enjoyed the interesting premise about computer recycling and learned some things I did not know. Definitely worth for recommendation.
