Hope to hear from you. And when you find a marketing strategy that works, double down!

This meant it was going to be easier for me to rank 1 for that term. Just using the reddit, facebook and twitter techniques from this post got me to 1 across three categories after 24 hours! Have you ever noticed that verbally rewarding the actions you want others to take begets people to take that action more often? Due to time constraints, we only hit the Facebook groups and Twitter handles that we knew were interested in free book

promotions... But you can imagine how this strategy can be replicated across Facebook groups Marketing Twitter syndication handles relevant to your book topic. Thankyouforcompilingthetipsandthemarketinglist!For both keywords and categories, ranking is primarily determined by Number of positive reviews Total downloads Total revenue Your book title and meta-data is also important for keywords.
