See our Returns Policy. This is an anthropology-but not an anthropology of the old school. You must accept the Privacy Policy to continue. We had before us from the beginning the goal of creating a synthesis of interest to students of environmental adaptation, but adaptation broadly construed, and to one of the world's difficult environments-the boreal forest. This is an anthropology-but not an anthropology of the old school. The chapters making up this volume are not just a collection of parts which were more about Amazon Prime.
