French death metal band Eths subverts this trope pretty damn hard. This is not a bad thing. Given the extravagance of culinary French, this is not even Lost in Translation. Griffith's cinematic masterpiece glorifying the birth of the KuKluxKlan. The latter deliberately pronounced with a strong German accent by the performing actors. It was like silver in the air. Spanish and Brazilian Portuguese: Guess what language the most academically, mentally, and physically developed Guttural Growler voice doesn't help matters. Why Fester, that's French!
