Hewassoblandinthisbook. If I really stretch it, I can say, well maybe White did it to show us how the paranormal world can affect humans, but even then, I was ready for the book to end, and White just threw in something extra on Evie's already full plate. Then again, the romance The Complete Endlessly Trilogy pretty PG. Two brothers revisit a cult in trailer for horror-thriller The Endless".

sudden appearance of a key character at the end of the book definitely let the series tie up nicely, and it did end with a bang. There's not a lot of descriptions of scenery or feelings, and unless you count Evie's temper-tantrums as a distraction, the story bumps along at a decent pace.
