It imposes limitations, some of which can be repurposed as advantages. She's basically using parallel universes to avenge the death of her species, and it leaves Major Arcana, one of the company's directors, out for the blood of the two freelance "psilencers" who cleared Tyranny for this level of power, and then overbilled the company. Kat Bairwell rated it it was amazing Jul 31,

The landscape is always left irrevocably changed. In a way, all this Indigo Prime Killing Time backstory is reminiscent of the huge amount of background apocrypha that Smith, clearly influenced by Watchmen prepared for The New Statesmen. Instead they use comics as a shortcut, a way to add the fourth dimension of time to their work without doing their research. Smith lost interest in Indigo Prime after this and moved on to other things.

Notify me of new comments via email. It's understood that stories like "Killi Smith in Bremen last year. But there are many degrees of separation between the writer and the finished work.
