Volumes in the series provide excellent course adoptions for graduate teaching. This volume brings together scholarship on pan-European late-medieval religious controversy, with particular attention to developments in England, Bohemia, and at general church councils. Fordham Series in Medieval Studies The Fordham Series in Medieval Studies offers original studies and essay collections as well as source materials on late antique and medieval culture with an openness to interdisciplinary work. In addition to new readings of canonical poetic texts, it includes readings by Laura K.
