While it contains a few pages of RuPaul herstory, explanations on some drag lingo that you're already familiar with if you've watched the show, and a list of all lipsync battles, most of it is devoted to the queens, with an article on each of the participants so far. Bursting onto the scene over two decades ago with smash hit 'Supermodel of the World' RuPaul has been confounding critics to clear her own path over the many years. Consider it like this:
