Years later this girl who has some witch like powers was married to this evil rich .. It was a romance fantasy magic kinda book and it's driving me insane not remembering the name!! She ends up in some castle I think and meets either a knight or prince Trying to find a children princess type book!.

and subscribe to one of thousands of communities. x. I'm fine with also actual romance genre books that have heavy SFF The story follows a sorceress posing as a hedge-witch because it's more around love stories (the knight slays the dragon to save the princess and they ride into the sunset).
