One of the challenges of this book will be to find a way of integrating the particularistic and universal dimensions into a meaningful and sensitive critique of urban renewal. Certainly, this section of the population had been misunderstood and negatively represented by social science, but the 8. A day would not pass without some part of Naples being brought to a standstill by groups of people protesting for jobs or housing.

Neither, as Doreen Massey would argue, can the place of Naples be conceived. immigration implies a unidirectional experience, while it is often the case that the im migrant will often make or hope to make onward or homeward journeys.
