To see what your friends thought of this book, please sign up. Although I haven't pursued it as seriously, I know what it's like to search for the nearest karate dojo or kung fu teacher everywhere I go and to try one school and then another, learning something new from each teacher and martial arts style. Want to Read Currently Reading Read.

DevansheerateditlikeditDec06, To see what your friends thought of this book, please sign up. The story of a martial artist's training and mental preparation for his ultimate karate challenge, fighting 30 people one after the other in a full-contact test. I'm thinking if you're one of those readers who's into books about interpersonal relationships or romantic dramas or occult intrigue, this is probably not the book for you.
